Item	Agenda Item
1	Apologies for absence -received from Gareth Clarke & Pam Siggers. Craig Rouse to chair meeting in Gareth's Absence
2	Minutes of previous meeting -shared to GWPR GDrive this morning but not everyone could view them. RS/AL to check settings.
3	Actions from previous meetings -Speeding Vehicles on Diamond Drive: GC to move traffic monitoring device to Keats Drive/Diamond Drive when it is due to move next
4	Matters Arising -Bands on the Boundary, 28 th & 29 th June Lots of litter left on park afterwards despite provision of bins. Items included broken non recyclable/compostable things like wind breakers and cool bags. Activities Week in GWP 29 th July to 2 nd August -Planning continues, please contact GWP Church if you wish to volunteer GWPR Treasurer post is currently vacant -It is important that this post is filled – not a lot of work is required, please contact GC for more information. Women's Cycling Tour through Didcot -Comments made in support of the event coming through Didcot but that it was a shame that much needed road resurfacing and marking work seemingly only happened because of it rather than because the residents of Didcot needed it! Accidents on Moreland Road GC will site traffic monitoring device there after it has been to Diamond Drive

5	<p style="text-align: center;">Correspondence Received</p> <p>-Antisocial Driving: Committee were copied in to emails sent by a resident complaining about the conduct of a delivery driver – company responded saying they were investigating.</p> <p>- Temporary bus stop outside Aureus Primary: this is for the use of the school but is not intended to be permanent.</p> <p>- Power station buzzing noise: Committee were copied in to emails sent by a resident to RWE and Environment Agency. RWE replied saying that an issue with a gearbox on a cooling tower fan had been identified and use of the fan would be limited to sociable hours until it could be replaced.</p>
